and projects.

Transparent

Honest with all stakeholders.

Customer
satisfaction

Our customers are always at the fore
of our thinking.

Respect

For our employees, customers,
stakeholders and the environment.

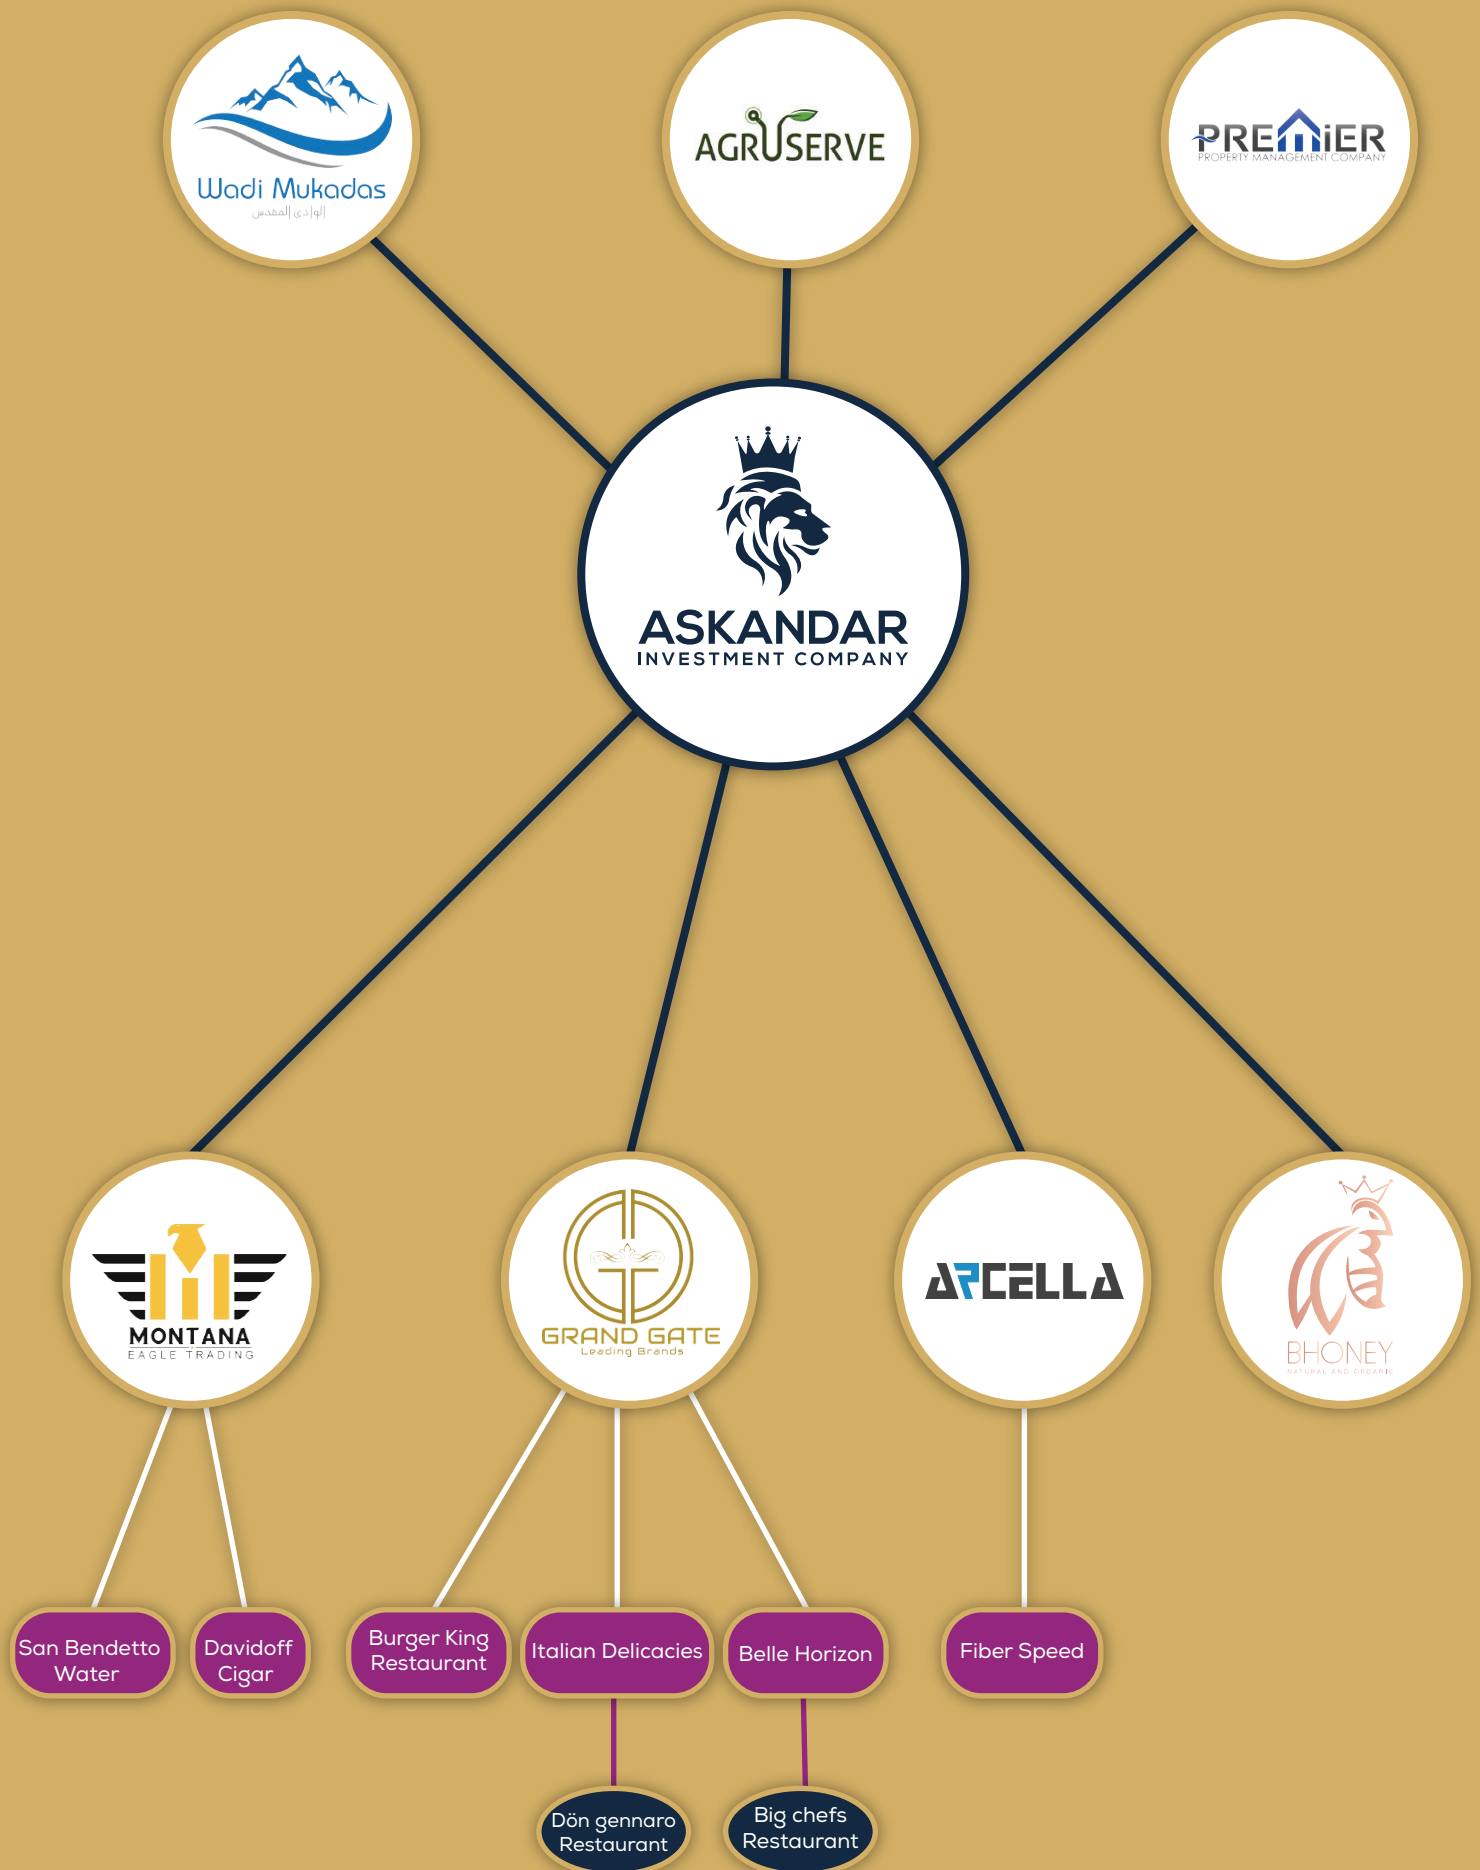

Competitive

Adapt and respond to changing
circumstances quickly.

Excellence

Quality and service guaranteed.

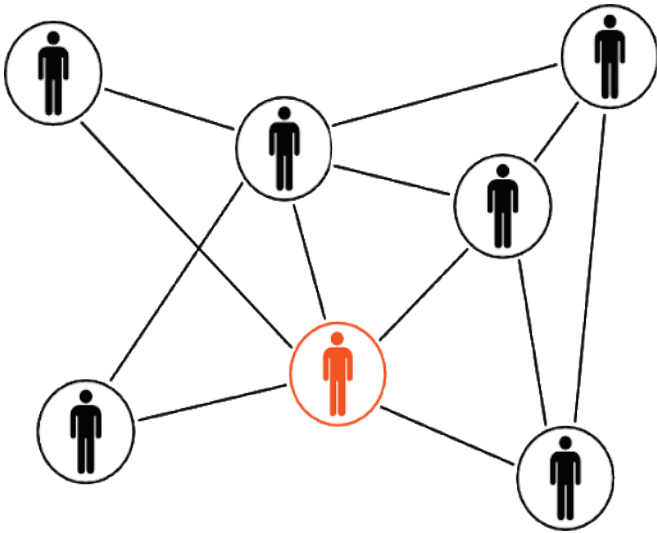

Company Hierarchy

ARCELLA_{co.}

Telecommunications and IT services

ARCELLA

Arcella Telecom is a technology company that offers innovative solutions in the region starting from 2018. We believe in the technological advances in the 21st century, so we tackle community issues through the latest technologies, which we are passionate about. Our services range from Security Solutions, Networking, E-Payment, Software Development, and FTTH (Fiber to The Home).

As of now, we're operating in Erbil, Duhok, and Zakho in the Kurdistan Region and through one of our branches "Fiber Speed", we serve 25,000+ happy customers with FTTH and VoIP service. We made it our responsibility to fill the technology-gap and be the change-makers in the region through innovation, creativity, passion, and know-how staff.

PREMIER_{co.}

Property Management

PREMIER

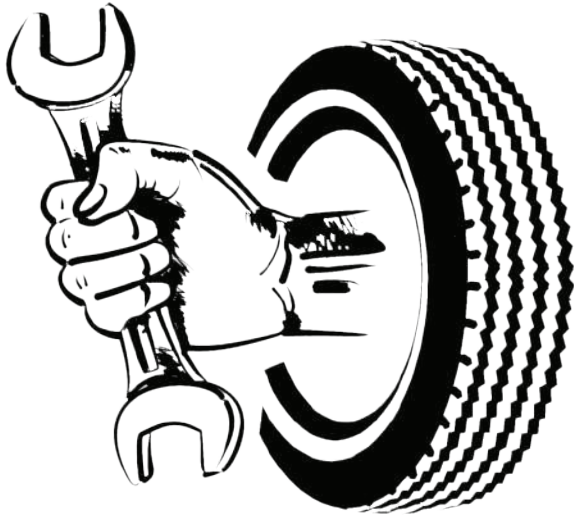

PROPERTY MANAGEMENT COMPANY

We are Property Management Company, established in 2014 To create a better everyday life for many people. Our services idea supports this vision by offering a wide range of services that satisfy our customers' needs as much as possible. We've garnered a unique stamp of approval for the quality of our service. We've built on this success by working hard to expand the reach of our services to all customers.

WADI MUKADAS_{co.}

One Stop Shop for first Class Automotive Service

Specialized in supply of automotive Spare Parts and Servicing catering to wide variety of brands and makes in Erbil. The company is run by people with a wealth of long experience. Since its operation begun, the company has gained continuous success due to its reliable and stable reputation among its client base.

Wadi Mukadas team is highly skilled engineers, staffs, technicians and front liners from different nationalities. This ensures delivery of our services and products to the highest professional and efficiency resulting to highest customer satisfaction level.

GRAND GATE_{co.}

Kitchen equipment and services

Grand Gate was established to create a corporate-based model bringing a new vision to the food and beverage sector. GG has played a major role in the growth of the sector through its product diversity, service quality, and corporate standards, in addition to generating employment opportunities. The company holds a unique position in IRAQ and internationally due to the number and types of businesses it manages. GG offers menus carefully selected from local and international cuisines that are prepared to the highest standards and that appeal to a range of palates at restaurants in major centers of social activity. It constantly introduces new concepts and brands to consumers.

BURGER KING

Burger King is the newest GG offering, specializing in flame-broiled burgers and American-style fast food. It is the second-largest burger chain in the United States and worldwide it has 14,000 restaurants across almost 100 countries. GG is honored to have added Iraq to that list and will soon be offering the prizewinning Whopper sandwich to all regions of the country. Burger King is proud to serve consumers with the real taste of authentic American fast food.

ITALIAN DELICACIES^{co.}

ITALIAN
delicacies

Italian Delicacies is one of GG's flagship companies. It specializes in Italian cuisine, which is noted for its regional diversity and abundance of different varieties, and recognized as one of the most popular in Erbil. Everyone can enjoy the original and inspiring cuisine of Italy in Erbil at the Dön gennaro Restaurant.

BELLE HORIZON_{co.}

BELLE HORIZON

Is one of GG's Companies that brought the most famous restaurant in Turkey to Kurdistan, and which has 60 branches in Turkey and around the world and is characterized by different Turkish styles. Created with the highest-quality fresh produce, prepared daily by our skilled chefs, the extensive menu provides a vibrant food adventure for those looking to explore or find home favorites. The welcoming and homely environment with its rustic decor ensures that Big Chefs is the home away from home experience.

BHoney Factory

Honey Factory

Bhoney is a beekeeping and honey supply company that offers a local, all-natural alternative to industrially produced products. Its key assets are the more than one-half-million bees it houses on a large, secluded farm designed and operated according to the highest global standards. Bhoney is honored to provide healthy and delicious honey varieties to Erbil and the surrounding regions.

AGRUSERVE_{co.}

Agricultural Services

Aguserve is a Company that produces the highest quality grain, vegetables, and fruits, and give the greatest standards of customer service, education, and value to strengthen business and community using the newest intellegent technology created for farming to help establish a customizable environment ready to produce different kind of vegatables and fruits which can not be found in our local nature.

MONTANA EAGLE_{co.}

General Trading

The Montana Eagle Company offers a wide range of services for today's expanding markets of the Kurdistan Region and Iraq, including the distribution and sale of renowned international products. The company takes pride in its commitment to quality, efficiency, and consistency and, as a result, has developed business relationships across the region with traders and consumers to become one of the most reliable partners in the market. Montana Eagle continuously looks to expand its product offerings for customers and it will continue to invest in high-quality brands and products.

SAN BENEDETTO_{WATER}

One of Montana Eagle's premier products, Acqua Minerale San Benedetto is a high-quality Italian bottled water with perfectly balanced mineral content and all-natural taste. The water was first bottled in 1956 from an old water spring of great quality at a depth of 300 meters and has since become recognized around the world for its unique qualities and finish. Acqua Minerale San Benedetto offers its water using only recyclable, glass bottles.

DAVIDOFF_{CIGAR}

Davidoff, another of Montana Eagle's premium brands, is a top-end Swiss brand of cigars, cigarettes and smoking accessories. It is owned by the firm Oettinger Davidoff AG, which is based in Basel, Switzerland, and manufactures a broad portfolio of products to the highest Swiss standards of quality. Montana Eagle is honored to be the exclusive distributor of Davidoff products in the Kurdistan Region.
